

## Downtown Parking Meters Tips & Tricks

- **Don't forget your license plate number**  
Take a snapshot with your phone or cut out the card at the bottom and keep it in your wallet
- **Pay at ANY meter; you don't have to pay at the meter on the block where you parked**
- **Multiple payment options: credit cards, coins, or the Downtown Missoula Gift Card**  
(see fee structure below)
- **Cautious about using your credit card?**  
The new meters offer Tier 1 security - which means they're more secure than gas pumps.
- **No need to display your receipt on your windshield - continue to your destination**
- **Take your time with your car**  
Once you pay, repark on the streets throughout Downtown until your time expires (*time can not be carried over into different days*)
- **Extend your meter time by phone when using a credit card.** Enter your cell phone number at the end of the transaction & receive a text message to extend your time without going back to a meter.

## Downtown Parking Tips & Tricks

---

- On-street parking is FREE weekdays after 5pm, weekends, & Federal holidays
- Don't forget about the parking structures - *located at 128 W. Main & 201 E. Front* - First hour is FREE; \$1.00 per-hour after (\$9 max per day M-F 8am-6pm)
- Mountain Line bus service is Zero-Fare. Take the bus to/from Downtown to help reduce car pollution and congestion. Download the Mountain Line app or visit [mountainline.com](http://mountainline.com) for easy route navigation.
- Ride your bicycle. Missoula's trail system is extensive and makes riding into the heart of Missoula easy.
- Downtown Missoula is full of wonderful places to Dine, Shop, Play & Stay - visit [missouladowntown.com](http://missouladowntown.com) for more info

Cut out & keep with you
