**President's
Message
by John Horner**
First Interstate Bank

Happy New Year to you all. This is my opportunity to say good-bye as your President of the Board. I have so thoroughly enjoyed my time working with the great staff of the MDA, the wonderful board members, and you - the membership of the MDA. It has truly been my honor to serve you these past two years. This is an amazing organization working hard for an amazing community. Thank you.

The Missoula Downtown has so much to look forward to in 2013. At our annual meeting, to be held on January 16, we will take some time to highlight the accomplishments of 2012 - and there are quite a few. The MDA is always working on something. We had a great 2nd Winter Brewfest in February, and followed up with strong annual events such as the Garden City Brewfest, Membership BBQ, Out to Lunch, Downtown ToNight, and Garden City River Rod Run during the summer months. We ended the events season with another successful River City Roots Fest, and most recently we had a hugely successful Parade of Lights and our year-end Christmas Party. We are already gearing up for 2013.

But you all know we are not just an events-driven organization. Our Master Plan Implementation, Advocacy, Membership, and Marketing committees have all been very busy. I want to take this opportunity (because I can!) to advocate for something extremely important

MDA Annual Awards Banquet

This year's MDA Annual Awards Banquet will be held Wednesday, January 16 at the Governor's Room in the Historic Florence Hotel. Five new members will join the MDA board, a new president will be ratified by the membership, and over the course of the evening there will be four awards bestowed upon nominees that have gone above and beyond their call of duty to serve Downtown Missoula and the MDA. The planning committee is pleased that some of Missoula's best talent has agreed to perform at the banquet in what is being called the "Missoula Trio" of Tom Catmull, Shane Clouse and Bob Wire. There are only 250 seats available for this year's dinner, so call to reserve a table or individual spot right away. Individual cost is \$35 per person, tables of 5 are \$250 and tables of 10 are \$500. RSVP to the MDA office at 543-4238 or e-mail the Program Director, Jenny Mueller, at jenny@missouladowntown.com.

 that is happening in our downtown: the soon-to-begin construction of the Poverello Center. The building site should soon see some activity, if it hasn't already, and I encourage each and every one of you to get involved somehow. The most obvious way is to cut a check and help with the costs. Please be willing to listen to the requests which will soon come your way. We have the opportunity to be part of a legacy which can help the community of Missoula care for the unfortunate among us. The time has come to work together in the design, financing, and building of this facility. I truly believe it will be good for Missoula.

I would also like to remind you that the Caras Park improvements continue. We are only partially to our goal. The next step is to get the walls constructed and installed and to then build up the resources for the replacement canopy. A lot of work, but well worth it. Your financial assistance is still appreciated here as well.

Thank you all for the hard work, your donations of time and money, and your patience this past year. I have said it before and will say it again: we live in a wonderful place!

McCarthy Departs MDA for Sabbatical in New Zealand

As we launch into 2013, change is afoot at the Missoula Downtown Association. My husband, Tom Gallagher, has accepted a one-semester teaching appointment at Massey University of Palmerston North, New Zealand, Missoula's Sister City. Our family leaves the country on January 12 to live on the other side of the world for several months. It's a once-in-a-lifetime opportunity for all three of us and one that will enrich our lives and provide new perspectives on life, our country, our community and more.

The MDA Board of Directors has granted me an eight-month sabbatical after 13 years of service to this organization. I am exceptionally honored and grateful to have this opportunity to step away, but I am more appreciative of the invitation to return.

We have found the best possible replacement in Melanie Brock (see related story), who has rolled up her sleeves and jumped right in to serve our members and our mission. Please welcome her to our team and know she has the best interests of Downtown and MDA at heart and will serve as an exceptional leader and advocate for our members.

As always, our staff will continue to provide the support and services you and the downtown community have come to expect. Colin Hickey, Robert Giblin, Jenny Mueller and Julie Walsh, as well as Rod Austin, Laurie Johnson, Rick Stephens and Daniel Tulk are exceptional people who are passionate about this place and this organization. It's our staff I will miss the most while I am gone. They are such a joy to work with, and their commitment and service are inspiring. We have a lot to be thankful for.

Melanie Brock Hired as Acting MDA Director

The Missoula Downtown Association has hired Melanie Brock as its Acting Executive Director to fulfill the roles and responsibilities vacated by current director Linda McCarthy, who has been granted an eight-month sabbatical to travel with her family to the South Pacific.

Brock will officially commence her duties on January 7 and will serve in that role until McCarthy's return on September 1. She comes to the MDA with extensive experience in public service and fundraising, having recently worked on Steve Bullock's successful election campaign for Governor of the State of Montana.

"We are very excited to welcome Melanie Brock as a member of our dynamic staff," said John Horner, President of the MDA Board of Directors. "She brings a wealth of knowledge, experience and relationships that will serve us well while Linda is on sabbatical."

Brock has an M.A. degree in Political Science from The University of Montana. She most recently served as the Director of Finance for the Friends of Steve Bullock (2011-12); was the State Director of Outreach and Finance for Friends of Max Baucus and Glacier PAC (2010-11, 2006-09); served as Press Secretary and Field Representative for Senator Baucus (2009-10, 2004-06); and worked on Mayor Engen's campaign for re-election.

"I am really excited about this opportunity to serve the Missoula Downtown Association," Brock said, "and I am fascinated by all the different aspects of the organization and what it does for the Missoula community. I am honored to serve in this role with the board of directors and staff and am really looking forward to working on behalf of the MDA members."

4 Ravens Gallery

248 N. Higgins, Suite A

317-1543

As many may have noticed, a new art gallery opened its doors downtown this past November. On the corner of Higgins and Broadway, you will find the MDA's newest member: 4 Ravens Art Gallery. Established by ten partners, 4 Ravens Art Gallery brings a diverse and fresh perspective to the art scene in Downtown Missoula. The partners each offer exquisite art taking many forms, from forged-metal to photography, leather bags, wood-working, painting and other unique pieces.

The 4 Ravens partners are working to create an atmosphere in the gallery that allows visitors to experience the beauty of their creations. Towards that end, consignments are accepted when they complete or accentuate the message that the gallery is creating.

The partners all call Western Montana home and are proud to be a part of our thriving downtown. When you stop by to see what the 4 Ravens has to offer, make sure to say hello to the artist at the helm. The same individuals who create their pieces are available to interact and assist their customers.

Boulevard Banners for Nonprofits

Have you ever wondered where the banners hanging downtown come from? The MDA manages these banners under its 14-year-old

Missoula Downtown Boulevard Banner Program. With this program, local nonprofit organizations are eligible to apply to reserve banner spaces available around downtown. Banners are usually reserved for one month and promote cultural, artistic or sporting events and area attractions of public interest. In 2012, this program served 21 nonprofits marketing to the Missoula community, and there's room for more in 2013. Applications are received on an ongoing basis, and you can reserve up to one year in advance. The cost per light pole is \$15-\$20, and there are 108 spaces to choose from. The banner policy and application can be downloaded at www.missouladowntown.com/about/downtown-banner-program or by reaching Julie at the office, 543-4238 or mda@missouladowntown.com.

The MDA also encourages area nonprofits to submit their applications for the Caras Park Sponsorship Program. Every year the MDA Board awards several sponsorships to assist non-profits in renting the pavilion for community events. Applicants are reviewed by the Missoula Downtown Association Board of Directors, granting \$1,950 in rental sponsorships in 2012. Individual awards are granted to nonprofit events that demonstrate a clear benefit to the Missoula community, bring a significant number of people to the Downtown area, and provide a positive image for Caras Park, Downtown and Missoula. Applications for the 2013 Sponsorship Program are being accepted until Friday, Jan. 25 at 5 pm. and can be found online here: www.missouladowntown.com/about/caras-park.
