Lessee shall use the Pavilion in a careful and proper manner and shall comply with all laws, ordinances and regulations relating to the possession, use and maintenance of the Pavilion, including, but not limited to all Missoula Parks Department rules and regulations.

Lessee's initial to indicate that the above change to this document has been read and understood

Alcohol: If Lessee intends to serve alcohol during Lessee's use of the Pavilion, Lessee acknowledges being aware that there are strict rules and potential liability. Regarding permits and licenses, Lessee must obtain all permits and a license, ensuring that all criminal laws are complied with including that underage consumption of alcoholic beverages does not take place and open container laws are complied with. Lessor has agreed with the City of Missoula that all events at which alcohol is served would comply with that agreement. This is a minimum requirement and does not ensure open container laws being complied with. Additional questions should be addressed to local law enforcement. Regarding civil liability, Lessee acknowledges being aware that there are a number of scenarios where liability may be incurred. Lessee acknowledges that under other provision of the lease, Lessee had agreed to indemnify Lessor for those situations.

Clean Up & Waste Removal: The Lessee, or caterer/party planner in Lessee's stead, is required to remove all trash and place it into the trash bags. Trash bags are then placed in garbage dumpsters that are located under the bridge on the east side of the Pavilion and marked MDA. The dumpsters are provided by the Lessor during the time Lessee has the use of the Pavilion. If there has been excessive spillage or trash left on the Pavilion floor, the Lessee is responsible for cleaning this up and should consult with the Pavilion Facilities staff if in doubt. The Lessee or caterer/party planner is also responsible for removing any trash/mess left by their event in Caras Park. The trash must be emptied into the appropriate Republic Services Dumpsters. If the tables are used for projects that use paint or liquid (i.e. beverages), they should be wrapped in plastic. Lessor is responsible for clean up during and immediately after the event. Following an event, the Lessor Facilities Staff is only responsible for putting the Pavilion sides and furniture away, unless hired to perform bathroom maintenance and trash removal during the event. If the clean up

is not done satisfactorily and has to be completed by the Lessor facilities staff, funds to cover clean up may be deducted from the Lessee's Pavilion Security Deposit.

Advertising: Lessee shall conduct and be responsible for any advertising it chooses to do in connection with its use of the Pavilion. The City of Missoula's Bill Posting Ordinance (9.38.010) says it is unlawful for any person to paint, print, post, paste, attach or in any way affix any bill, poster, dodger, card or other advertising matter of any kind upon any post, hydrant, curb, sidewalk or other public improvement in any public ground or street; upon any bridge, public building, structure or erection of any kind belonging to the city; upon any mast or pole in any street avenue or alley; or upon any lamppost in the city, whether permission therefore has been granted by the owner or otherwise.

Lessor shall make chairs, tables and stage sections available for use by the Lessee in the configuration designed by Lessee. Lessee shall use the chairs, tables, stage sections and equipment in a reasonable, prudent and safe manner and shall not remove them from the Pavilion area.

Bounce Houses Prohibited in Parks: It has been determined by the Montana Municipal Interlocal Authority (MMIA) that there is considerable risk associated with allowing inflatable bounce houses to operate on public property. City Parks and Recreation no longer allows bounce houses to be permitted for use in public parks, including Caras Park. **Inflatables** used for obstacle courses will continue to be permitted, event organizers will be required to provide manufacturer's engineers specifications for construction and anchoring for each proposed unit, in conjunction with insurance required by the City of Missoula.
