

Welcome to Downtown! This pamphlet is your guide to convenient transportation into and out of the Heart of Missoula. With many options that can get you to your destination, we encourage you to explore all of the commuting opportunities our community has to offer.

Riding the bus, biking, and carpooling are some of the ways Downtown employees can help avoid traffic and parking congestion, while also supporting the City's sustainability goal of reducing drive-alone commutes by half by 2045. Thank you for being a part of Downtown's vibrant community. Happy commuting!
